27 AUG 1953

Chief of Base
Att'n
Chief of Base, Pullach

INFO: EE, COM

Operational/NAF
John SANITZER

Reference: HQA-22879

1. Confirming conversation of 25 August we believe that reference is an excellent example of a security type lead concerning East German intelligence which in our opinion could profitably be submitted to Zigger for exploitable consideration.

2. If you do not intend to attempt to run down this lead at HQ would you be willing to have us pass it to Zigger?
